Parental Consent for Participation

Dear Parents and/or tutor,

Your child has been invited to participate in **Class2Class.org**.

Class2Class.org (C2C) is a global learning community that connects teachers and students from different cultures to collaborate and co-create innovative solutions to the world's challenges.

C2C addresses the need to open classrooms to the world, fostering intercultural exchange, meaningful learning, and the development of global competencies. Through collaborative experiences, it promotes critical reflection and a deep awareness of the realities and issues affecting communities and the planet.

We require your consent for their participation.
